

# ***Full-Time Wyoming Air National Guard Vacancy (Concurrent AGR & Technician Announcement)***

## **AIR GUARD AREA 2 – JOB OPPORTUNITY TECHNICIAN VACANCY ANNOUNCEMENT AND INSERVICE AGR (Category 2) VACANCY ANNOUNCEMENT**

Please review the Area of Consideration and the Instructions for Applying sections prior to submitting an application package.

21 September 2005

**ANNOUNCEMENT #: 05-164**

**CLOSING DATE: 20 OCT 2005**

**POSITION TITLE, SERIES AND GRADE:** Aircraft Pneudraulics System Mechanic, WG-8268-08/10

**SALARY RANGE:** WG 08: \$16.93 - \$19.75 per hour  
WG 10: \$19.20 - \$22.40 per hour

**LOCATION OF POSITION:** 153 MXS, Cheyenne, Wyoming

**APPOINTMENT FACTORS:** Excepted Service Enlisted - the incumbent of this position is required to be a military member of the Wyoming Air National Guard.

**MILITARY GRADE REQUIREMENTS AND COMPATIBILITY CRITERIA:** After selection, must possess or be eligible for assignment to Air Force Specialty Code (AFSC) 2A6X5. Maximum military grade authorized and available is E-6.

**POSITION SENSITIVITY:** 2 - Noncritical-Sensitive (NCS)

**AREA OF CONSIDERATION:** For Job Opportunity Technicians: This vacancy is open to all active members of the Wyoming Air National Guard. (see page 3 for technician application procedures). For Inservice AGRs: This vacancy announcement is also open to presently employed Category 2 AGRs of the Wyoming Air National Guard (see page 4 for AGR application procedures).

**QUALIFICATION REQUIREMENTS:** GENERAL – Must have experience, education, or training which demonstrates the applicant's knowledge of basic electrical and mechanical principles, knowledge of troubleshooting procedures used to isolate malfunctions in aircraft pneudraulic systems, the ability to use technical manuals, equipment specifications and test calibration procedures in performing the work.

SPECIALIZED - Must have 12 months of specialized experience to qualify at the WG-08 level and 18 months of specialized experience to qualify at the WG-10 level, which has included:

### **WG-08 (Only):**

- (1) Experience which provided a knowledge of basic electrical and mechanical principles;
- (2) Experience in fabricating fuel, oil and vacuum hose lines;
- (3) Experience in servicing, disassembling, assembling, repairing and testing hydraulic and pneumatic systems;
- (4) Experience in diagnosing malfunctions and overhauling pneudraulic accessories by disassembling, cleaning and examining parts for corrosion, wear, scratches, cracks or other damage, replacing gaskets and worn parts, and reassembling accessories;
- (5) Experience in diagnosing trouble and determining remedy when overall knowledge of an entire system is necessary in order to correct the malfunction;
- (6) Experience in servicing, maintaining, disassembling, assembling and repairing pneudraulic ground equipment;
- (7) Experience using hand tools and test equipment such as dial indicators, feeler gauges, and micrometers;
- (8) Experience which demonstrates the ability to interpret technical manuals, specifications and publications.

### **WG-10 (Only):**

- (1) Experience which provided a knowledge of basic electrical and mechanical principles;
- (2) Experience in fabricating fuel, oil and vacuum hose lines;
- (3) Experience in repairing, rebuilding and overhauling systems and major components of aircraft hydraulic and pneumatic systems;
- (4) Experience in diagnosing malfunctions and overhauling pneudraulic accessories by disassembling, cleaning and examining parts for corrosion, wear, scratches, cracks or other damage, replacing gaskets and worn parts, and reassembling accessories;
- (5) Experience in diagnosing trouble and determining remedy when overall knowledge of an entire system is necessary in order to correct the malfunction;
- (6) Experience in repairing, rebuilding and overhauling major systems of ground equipment and pneumatic and hydraulic systems;
- (7) Experience in making mechanical repairs that required the use of test equipment and common hand tools;

(8) Experience which demonstrates the ability to interpret technical manuals, specifications and publications.

**SUBSTITUTION** – Study successfully completed in a college, university, technical or vocational school may be substituted for experience at the rate of one year of study (30 semester hours or 20 classroom hours of instruction per week) for six months of experience. Courses must be directly related to the work of the position. Transcripts or certificates of completion must be provided in order to receive the substitution credit for specialized experience.

**ALTERNATE MILITARY QUALIFICATION PROCESS:** Individuals who hold at least a 3-level in AFSC 2A6XX or 2A5XX will be automatically qualified for this position. It is the applicant's responsibility to provide proof (RIP or AF 2096) in their application that they hold this AFSC if they would like to be found qualified under this alternate qualification process. Applicants who do not hold this AFSC, must meet the technician qualification requirements listed above in order to be considered for this position.

**DUTIES AND RESPONSIBILITIES:** Performs maintenance and operational and functional checks on assigned pneudraulic systems. Troubleshoots, removes, inspects, installs, repairs, modifies, rebuilds, and/or tests pneudraulic systems and components for aircraft pneudraulic systems, associated ground support equipment, and/or related test equipment. Performs installation, modification, and/or repair of aircraft pneudraulic systems. Performs organizational and field level maintenance to include periodic, phase time, calendar, unscheduled, and special inspection. Provides technical assistance to other shops concerning complicated interaction malfunctions between other systems, subsystems, and components. Jacks aircraft to simulate flight configuration, connects power sources, and uses cockpit controls, gauges, and additional precision instruments to check the operation of such items as landing gear doors, ground and flight spoilers and steering and brake systems for performance and conformance to operating specifications. Prepares for and participates in various types of readiness evaluations such as ORI, IG and UE inspections, mobility, and command support exercises. May be required to perform such additional duties as structural fire fighting, aircraft fire/crash/rescue duty, serve as security guard, remove snow, load and handle munitions, launch/recover and service of aircraft, operate heavy equipment, maintain facilities and equipment, or serves as a member of a team to cope with natural disasters or civil emergencies. Performs other duties as assigned.

**NOMINATING OFFICIAL:** SMSgt Edward Goble, Aircraft Mechanic Supervisor

**WYOMING NATIONAL GUARD HUMAN RESOURCES OFFICE (HRO) POINT OF CONTACT:**

SrA Jamie Tschacher at (307) 772-5134, DSN 388-5134, or E-Mail [james.tschacher@wychey.ang.af.mil](mailto:james.tschacher@wychey.ang.af.mil)

**PRE-EMPLOYMENT INQUIRY:** An employment inquiry may be sent by the HRO to those previous employers shown on the application in order to provide reasonable assurance that there is no derogatory or suitability information. The incumbent may be required to pass a physical screening prior to being assigned.

**SUBMIT YOUR APPLICATION TO:** Human Resources Office  
Attn: Technician Staffing  
5500 Bishop Boulevard  
Cheyenne, WY 82009-3320

**INSTRUCTIONS FOR APPLYING:** All application materials must be received in HRO no later than 1630 on the indicated closing date. Materials arriving after the closing date will not be considered. Do not submit application materials in binders, file folders, etc.

***The Wyoming Military Department is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, color, national origin, sex, political affiliation, or any other non-merit factor.***

## TECHNICIAN SPECIFIC INSTRUCTIONS

You will be rated on your experience related to the Qualification Requirements section of the vacancy announcement. These minimum experience requirements are essential for successful performance in the position. You must fully justify, on your application, how you meet these requirements.

The application packet will consist of the following: A typed or neatly printed summary of your history. This may be a resume, established form (OF 612), or any other application form you choose.

As a minimum, your packet must include the following information in order to be considered:

- Announcement number and title of the position for which you are applying.
- Your full name, mailing address, and phone number(s) where you can be reached.
- Your military grade, AFSC and unit of assignment.
- Your social security account number and birth date.
- **A narrative of your work (paid or unpaid), training, education, and/or other experiences that may be related to this vacancy.**
- List all pertinent military experiences.
- Describe duties in your own words; do not submit copies of official position descriptions.
- **Credit will be granted only if there is sufficient information in your application to fully substantiate how you satisfy the qualification requirements.**
- If you believe your education will help you qualify for this vacancy, include a copy of your **transcript(s)**. Education substitution credit will not be given without transcripts or certificates of completion.
- Show actual dates for all work experience submitted.

Incomplete applications will not be considered. All application materials will be retained by the Human Resources Office as part of the staffing file. You may submit copies rather than original documents. Veteran's preference does not apply to positions in this agency.

### Special notes:

- Acceptance of a permanent or indefinite position will cause termination from the Selected Reserve Incentive Program (SRIP).
- Relocation expenses will not be paid by the government.
- The selectee will be required to participate in Direct Deposit/Electronic Fund Transfer (DD/EFT).
- Use of government envelopes and/or postage for personal use is strictly prohibited.
- The selected applicant must complete a "Declaration of Federal Employment" prior to the appointment date.
- Faxed/mailed applications will be accepted to accommodate deployed member only.

Please feel free to call us at (307) 772-5134, DSN 388-5134, or email [james.tschacher@wychey.af.mil](mailto:james.tschacher@wychey.af.mil) for any additional information or clarification that you may need in reference to this procedure.

## AGR SPECIFIC INSTRUCTIONS

As a minimum, your packet must include the following in order to be considered:

- NGB 34-1

- Records Review RIP – Obtained from your unit, vMPF or the Military Personnel Flight

Incomplete applications will not be considered. All application materials will be retained by the Human Resources Office as part of the staffing file. You may submit copies rather than original documents. Veteran's preference does not apply to positions in this agency.

### **INITIAL AGR ELIGIBILITY REQUIREMENTS**

1. Applicant must be eligible for membership in the Wyoming Air National Guard.
2. Applicant must not have been previously separated “for cause” from active duty or a previous AGR tour.
3. Applicant must be medically qualified under the provisions of AFI 48-123. An induction physical must be conducted not more than 24 months prior to entry on AGR duty. An AF Form 895 must be completed if physical is more than 30 days old. HIV test cannot be more than six (6) months old prior to the tour start date.
4. Any applicant on the ANG Weight Management Program is ineligible for entry into AGR status. This does not include the probationary period after the loss of weight to satisfy standards. Applicants must meet the height and weight requirements at the time they are placed on the AGR program.
5. Enlisted applicant's military grade cannot exceed the maximum military grade authorized. Overgrade applicant must indicate in writing, willingness to be administratively reduced in grade when assigned to the position.
6. **This position requires a minimum score of 56 in the “Mechanical” area of the ASVAB.** Wyoming Air National Guard enlisted members currently serving in AGR status may be selected for a vacant position without an awarded 3-level in the advertised/compatible duty AFSC. An AGR not possessing the ADVERTISED AFSC must agree in writing to retrain and successfully upgrade to the 3-level within 12 months of assignment to the AGR position or be reassigned to a position for which qualified or be removed from AGR status immediately.
7. Tour lengths may be from 1 to 6 years.
8. IAW ANGI 36-101, paragraph 2.1.3.7, applicant should be able to complete 20 years of active federal service prior to MSD. Exceptions may be considered by ANGRC/DP on a case-by-case basis for exceptional circumstances. Approval will be limited to one five-year tour. Extensions will not be considered. Individuals selected for AGR tours that cannot attain 20 years of active federal service prior to reaching mandatory separation, must complete the Statement of Understanding contained in Attachment 2 of ANGI 36-101.
9. Applicants receiving or eligible to immediately receive a federal retirement annuity or a state annuity for service as National Guard technicians are not eligible for entry on an AGR tour.
10. Members must remain in the position to which initially assigned/reassigned for a minimum of 12 months. (The TAG may waive this requirement after selection.)

#### **Special notes:**

- The selectee will be required to participate in Direct Deposit/Electronic Fund Transfer (DD/EFT).
- Use of government envelopes and/or postage for personal use is strictly prohibited.
- Faxed/emailed applications will be accepted to accommodate deployed member only.

Please feel free to call us at (307) 772-5134, DSN 388-5134, or email [james.tschacher@wychey.ang.af.mil](mailto:james.tschacher@wychey.ang.af.mil) for any additional information or clarification that you may need in reference to this procedure.

**FOR AGENCY USE ONLY:** CPCN – 80106-29115    FAC – 23D100    Position # 0830161
